Documentation : MSDS and Technical Data Sheet

SRI delivered the MSDS and Technical Data Sheet of our standard product (in English, in its active version), on which we engage our responsibility.

As part of our partnership, we personalized those documents given the information you gave us. Those documents are in English, in the version active at the time of their creation.

Will you personalize those documents: no yes (thanks to send us a copy so we can complete our file).

Customer Validation

The responsibility of the documents personalized for your company, its affiliates and/or branches, is yours. SRI France cannot in any way be held liable over the content, diffusion and/or of any other use that can be done of those documents, even if SRI made those documents for you.

This sheet cancels and replaces older versions at customer's validation date.

** Without confirmation of your part, this document and the information it contains, will be considered as validated.*
