

# GOUGING TORCHES

## FLAIR™ 600 & 1600

- ◆ **360° rotating torch** The torch can rotate 360° on the monocabler. This results in a comfortable and better freedom of movement.
- ◆ **Smooth finished body for perfect airflow** Manufactured with the greatest accuracy. The inner body is perfectly shaped which results in a perfect airflow, thus in a better cooling as well as a longer life time.
- ◆ **Highly conductive extruded body and nozzle (non-casted)** Better conduction and less heat development and consequently a longer product lifetime.
- ◆ **Thicker high heat resistant insulation** Longer product lifetime but also safer, more comfortable and more productive working conditions.
- ◆ **Flexible monocabler (2.5 meter)** provides more ergonomic, comfortable working conditions.
- ◆ **The Airflow** can be regulated on the torch.

FLAIR® 600

### Technical characteristics:

Item Number	Output Power	Open arc voltage	Required Voltage	Compressed air	Electrode Diam Max
FLAIR® 600	600A@60%	> 60 VDC	35 - 56 VDC	400 ÷ 900 l/min @ 5 ÷ 7 bar	10mm - 3/8"
FLAIR® 1600	1600A@60%				19mm - 3/4"

#### CUSTOMER ASSISTANCE POLICY

The business of Lincoln Electric is manufacturing and selling high quality welding equipment, consumables, and cutting equipment. Our challenge is to meet the needs of our customers and to exceed their expectations. On occasion, purchasers may ask Lincoln Electric for information or advice about their use of our products. Our employees respond to inquiries to the best of their ability based on information provided to them by the customers and the knowledge they may have concerning the application. Our employees, however, are not in a position to verify the information provided or to evaluate the engineering requirements for the particular weldment. Accordingly, Lincoln Electric does not warrant or guarantee or assume any liability with respect to such information or advice. Moreover, the provision of such information or advice does not create, expand, or alter any warranty on our products. Any express or implied warranty that might arise from the information or advice, including any implied warranty of merchantability or any warranty of fitness for any customers' particular purpose is specifically disclaimed.

Lincoln Electric is a responsive manufacturer, but the selection and use of specific products sold by Lincoln Electric is solely within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Lincoln Electric affect the results obtained in applying these types of fabrication methods and service requirements.
